

THE ALZHEIMER'S PROJECT

Join the Alzheimer's Association of Rhode Island, Butler Hospital, and Rhode Island Hospital as we present a screening of HBO's *The Alzheimer's Project*, a new series about Alzheimer's disease. We will present and discuss "Momentum in Science," a segment reviewing cutting edge research in Alzheimer's disease.

When: Thursday May 14th at 6:45 pm

**Where: Rochambeau Library
Community Room
708 Hope Street
Providence, RI 02906**

Followed by a question-and-answer session with:

Gary Epstein-Lubow, MD -- *Butler Hospital*
Elizabeth Morancy, MA -- *Alzheimer's Association Rhode Island Chapter*
Brian Ott, MD -- *Rhode Island Hospital*
Edward Stopa, MD -- *Rhode Island Hospital*
Geoffrey Tremont, Ph.D. -- *Rhode Island Hospital*

Light refreshments will be served.

This event is free of charge, however, reservations are required as space is limited.
Please call Kristi Emerson at 401-444-4528 to confirm your attendance.
